## About the Book

Claudia's little sister Monica is fun, especially to blow bubblegum peace bubbles with. But sometimes Monica is just way too sticky—wanting to do everything Claudia does. Claudia finally loses it when Monica tries to come to her soccer tournament. She tells her little sister that there's a monster that eats little kids. Disaster! The girls have to find a way to make up. But when those bubblegum peace bubbles go awry, it brings an entirely new meaning to the word sticky!
